

# How to register a new account on Allxs

1

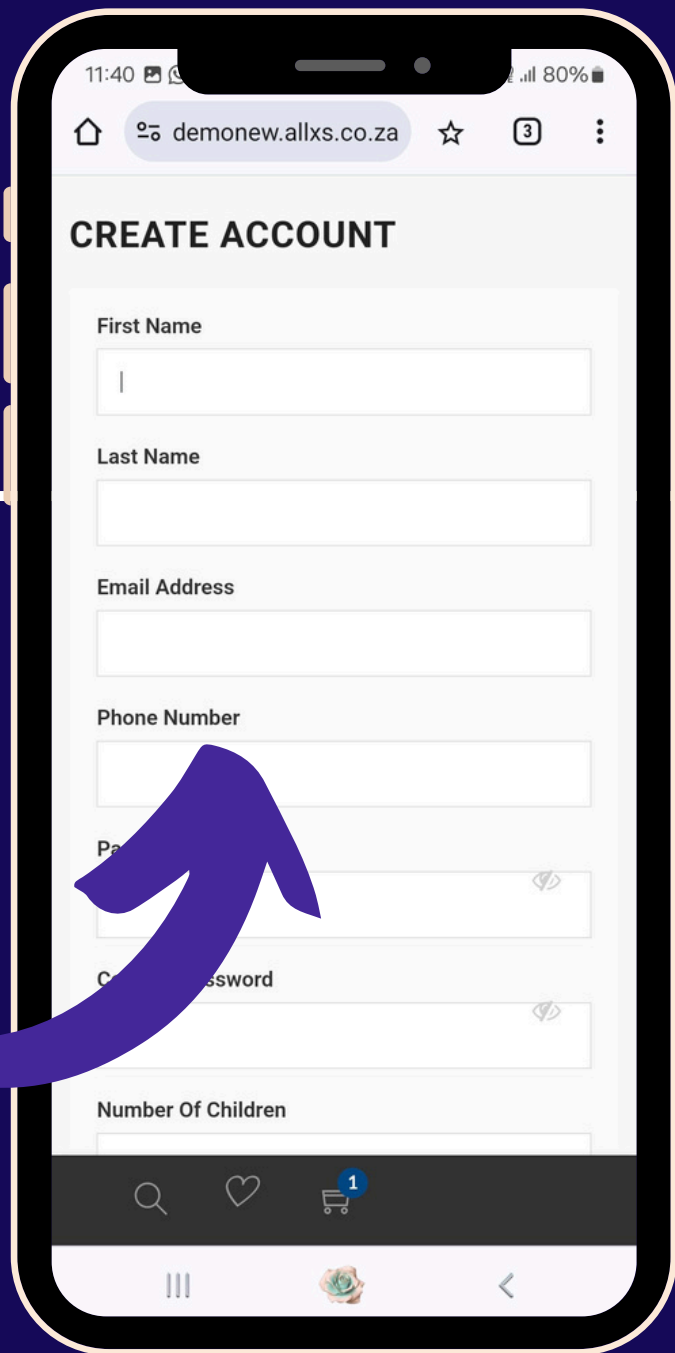

## Click on CREATE AN ACCOUNT

Go to the school portal and create an account  
You can find your unique portal here:

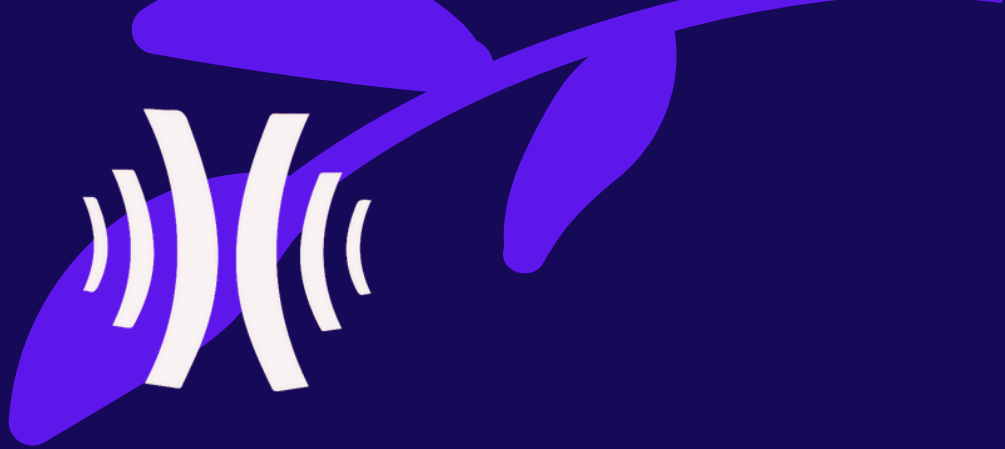

**allxs.co.za**

2

Fill out your details

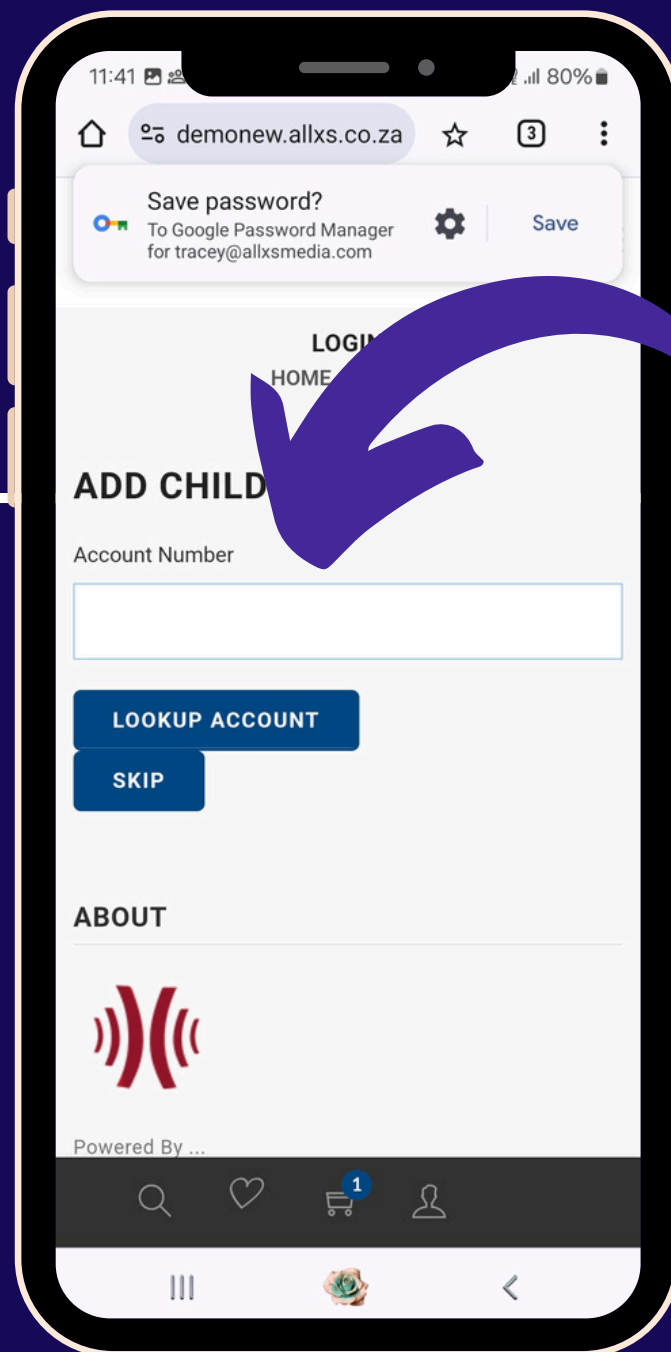

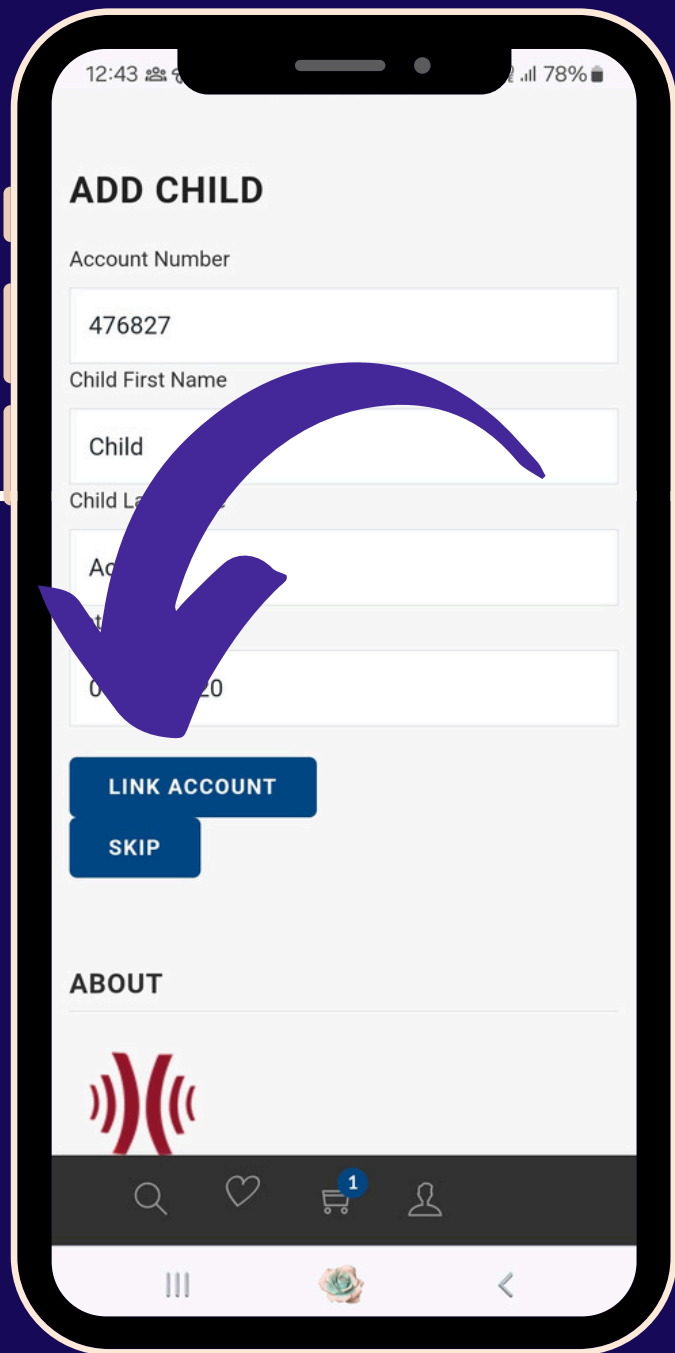

3

Enter your child's  
Allxs account  
number

Account  
numbers can be  
found on their  
cashless card

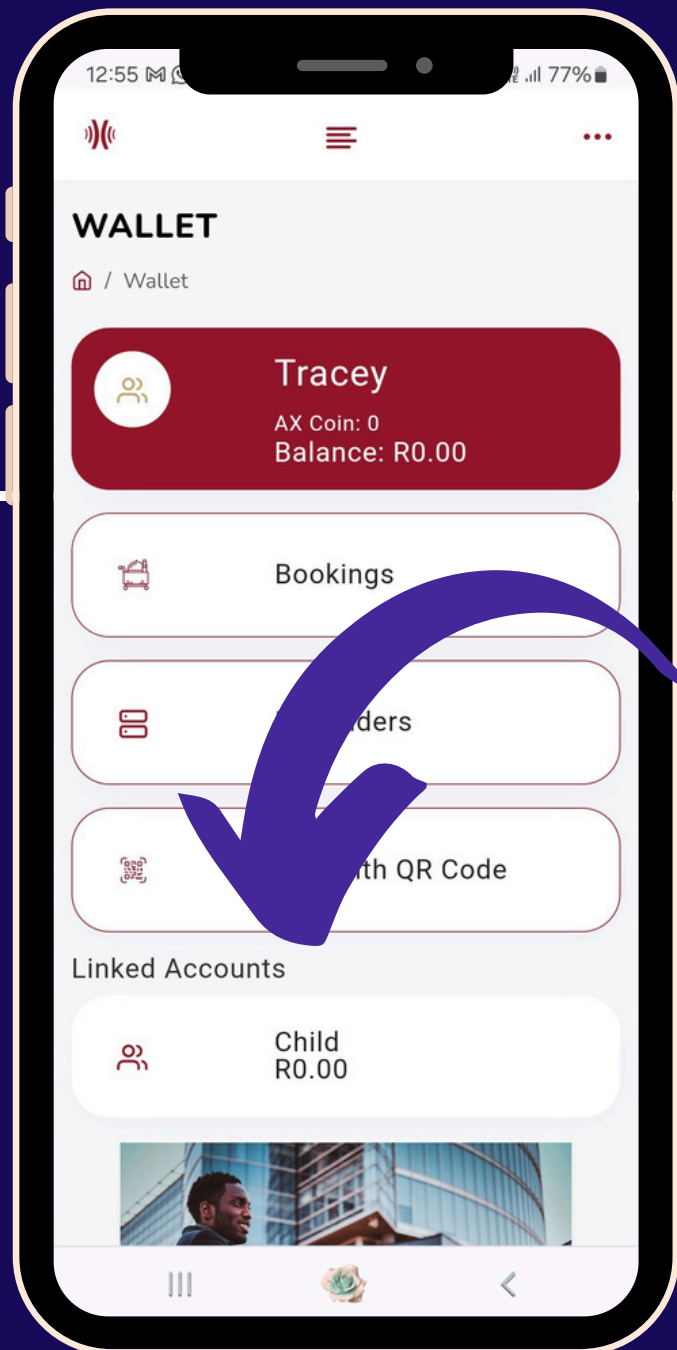

4

Confirm your  
childs details and  
click  
**LINK ACCOUNT**

4

Your child's account can be found under **LINKED ACCOUNTS** on your dashboard

# EFT Top Up

To make a payment into the card you can do an EFT with internet banking or use a debit or credit card.

Use your Allxs account number as a reference when you make the EFT deposit, and we will allocate the funds to your wallet.

5

You can then log on to your account and do a transfer to your childs card by clicking on the TRANSFER button.

Alternatively, you can make a deposit directly into your childs card. Use your children's Allxs card/account numbers as a reference when you make the EFT's
